Dear Citizens,

The City of Memphis and the Memphis Police Department are committed to reducing crime and promoting safety in neighborhoods across the city. Law enforcement is one of the crucial services provided by the City of Memphis and the MPD is working hard to fight gangs, guns, and drugs. The men and women of the Memphis Police Department are constantly being challenged to provide the most effective and efficient protection for the City of Memphis. As Mayor of this city, I commend these officers for their dedication to the provision of peace and security for our great city and also for their commitment to embrace and improve the quality of life for all citizens.

It should be realized that positive things can be attained through dedicated officers and citizens who are committed to forging proactive relationships. With input from the diverse communities, we can be made aware of problems in a timelier manner, which allows an expedient pro-active resolution to neighborhood problems. In 2013, Retired MPD Colonel Bishop Mays was appointed as Director of Memphis Gun Down, which is an anti-gun violence initiative. This initiative targets gun violence by young men on the Memphis streets. Providing youth opportunities and mobilizing the community are key parts of this initiative. In addition to technological improvements, MPD will continually embrace its community policing efforts. MPD has increased its outreach to neighborhood watch groups and community associations across Memphis to make its resources available wherever possible. In conclusion, I ask you to join me in thanking the women and men of the MPD for their service to our great city and the professionalism they have displayed to all Memphians and visitors.

Yours In Service,

A C Wharton, Jr.
Mayor, City of Memphis

Greetings:

On behalf of the men and women of the Memphis Police Department I am pleased to present the Memphis Police Department's 2013 Annual Report. I would like to start by thanking each and every Officer of the Memphis Police Department for their dedication, integrity, and professionalism. The effectiveness of our Police Department is measured by the work of each officer. Successes and failures hinge on the type of service we deliver to the citizens of this city. Through dedication, expanding technologies, and community policing we will continue to focus on the responsibilities of reducing crime and restoring a sense of security in every neighborhood. All members of this department must recognize that our character is reflected by the quality of work we do.

The Memphis Police Department remains committed to Community Oriented Policing through proactive and productive partnerships in our city. It is important for citizens, business owners, and visitors to view Memphis as a great place to live, work, and enjoy entertainment. Although there are concerns regarding budget restraints, we are also concerned about the department's vision, organizational culture, and most importantly our officers. Our plan is to reduce crime and educate the citizens in an effort to promote understanding and respect. I commend every officer and civilian for a job well done. I truly appreciate every one's willingness to help the Memphis Police Department be one of the finest departments in the nation. I would like to thank Mayor Wharton and City Council Members for their support and confidence in allowing me to serve as Director of Police Services. I look forward to another year of being one of Memphis' Finest and serving our community.

Sincerely,

Toney C. Armstrong
Director of Police Services

- Commendation Committee reviewed individual cases (TOP COP included) for awards that would be given at the commendations ceremony in 2014.
- Commendation Staff reviewed recommendations that would be issued at workstation roll calls.

Training

- 2232 Memphis Police Officers and 55 Outside Agency Officers completed In-Service Training
- FTO Coordinator office monitored 96 probationary officers
- Continued to coordinate and monitor trainee's development through our staff psychologist, Dr. Ray Turner
- Employment Unit processed 525 applications for the 117th and 118th Police Officer Recruit classes. Of that 307 applications were investigated.

The Memphis Police Academy provides training programs that vary from civilian training to basic and in-service training for commissioned officers. Basic recruit training consists of 840 hours of training that focuses on the enhancement of knowledge, skills, and proficiency in firearms, tactical and behavioral law enforcement theories necessary for the appointment to a commissioned status.

Academy Graduations

- Graduated 39 MPD Police Officers from the 117th Basic Recruit Session
- Graduated a total of 6 Police Officers from the 30th Regional-Lateral Session

Part One Crimes by Precinct

Part One Crimes are made up of seven offenses: homicide, burglary, robbery, vehicle theft, aggravated assault, rape, and larceny. The FBI tabulates the total number of Part One Crimes committed per city to calculate the crime index for cities in the United States. These statistics are published in their yearly Uniform Crime Report (UCR).

- Personal Crimes are homicide, robbery, aggravated assault, and rape.
- Property Crimes are burglary, larceny, and motor vehicle theft (MVT).

The Memphis Police Department is 100% compliant with National Incident Based Reporting (NIBRS).

Mission Statement

The mission of MPD's Information Technology Division is to optimize the Department's ability to protect and serve the citizens of Memphis through the efficient and innovative use of the most advanced Information Technology (IT) available. Challenges include identifying which technologies should be incorporated to achieve the greatest public safety benefit. Responsibilities include planning, developing, implementing, and supporting the IT systems and networks throughout the Police Division.

Law enforcement requires timely and secure access to services that provide data whenever and wherever for deterring and reducing crime. The exchange of criminal justice information is governed by 28 C.F.R., part 20. The MPD Information Technology Division is responsible for this agency's compliance to the CJIS Security Policy and the Management Control Agreement.

Accomplishments for 2013

During fiscal year 2013, we made significant progress on a number of key initiatives designed to enhance services and increase operational efficiencies. Most notable were: VisionRMS Upgrade
The IT Division of the Memphis Police Department worked with TriTech Software Systems to upgrade our 13 year old Records Management System, VisionRMS 3 TN Metro release, to Inform RMS 4.5.

MEMRTCC.AD Domain

During the VisionRMS upgrade, MPD IT enhanced its IT infrastructure to support a more robust Records Management System. Through strategic planning we were able to leverage hardware enhancements which allowed us to start migrating from an outdated Windows NT4 infrastructure to a Microsoft Windows Server Active Directory environment.

Video Conferencing

Mondopad's were placed throughout the Police Division, in conference rooms and roll call rooms, providing personnel a means to present, annotate and collaborate on 55 inch touch tablets.

KIOSK Upgrade

The MPD Kiosk system was originally written using Visual FoxPro as its programming language. On January 12, 2010 mainstream support for Microsoft Visual FoxPro ceased. In 2013 a decision was made to rewrite Kiosk using PHP code. The new MPD Kiosk is now referred to as Multiple Database Search and Analysis System. (MDSAS)

2014 Information Systems Goals

- Information Systems plans to migrate all MPD users from the antiquated, NT4 Memphis Police domain to a more robust Active Directory domain (MEM RTCC domain).
- Update the paperless Watson reporting suite from a Windows PC platform to the Android platform that allows for greater functionality.
- Complete the Vision RMS upgrade that will result in a more efficient RMS with greater functionality & storage capacity.
- Plans are in place for the implementation of the new Cyberwatch program, electronic FTO program and an electronic bid program.
- Institute the (ACES) Automated Case Examination Service investigative protocol.
- Add cameras to the Greater Memphis Greenline.
- Enhancements to our Port Security program.
- Additional SkyCop & SkyWatch surveillance platforms.

Crime Prevention

The Crime Prevention Unit was implemented in 2011 to create, organize, coordinate and manage all community-oriented and community outreach initiatives affiliated with the Memphis Police Department. The unit's largest program is the Community Outreach Program (C.O.P.). This initiative was developed utilizing the existing manpower from the former police Co-Act units. Its restructuring better serves the community relative to community policing and the reduction of juvenile violence.

Implemented March 10, 2012, the C.O.P. consists of approximately 60 officers and six (6) supervisors who are assigned designated target areas. These areas were identified from collected crime data with the assistance of University of Memphis. These officers address crime issues and community problems in the target areas through a three prong approach. Officers identify issues and problems by talking to citizens, completing surveys and reviewing crime data. After the appropriate enforcement is applied, prevention education is provided with the aid of community partners.

The 2013 enforcement efforts of C.O.P. were the following: 194 felony arrests, 472 misdemeanor arrests, issued 1761 misdemeanor citations, 84 Juvenile Summons, 9,199 moving citations, recovered 24 guns/weapons, answered 746 calls for service, initiated 60,780 specials, and made 7100 citizen contacts.

Community outreach programs that emphasize intervention and prevention education generated the following results for 2013:

132 citizens graduated from the Citizen Police Academy

59 clergy graduated from the Clergy Police Academy

Issued 300 coats to students of A.B. Hill Elementary during annual coat drive

Over 131 youth participated in the "Outside the Box" summer boxing/mentoring program

At least 220 students from 14 Shelby County Schools participated in the Youth Crime Watch Conference.

Interacted with hundreds of high school aged youth through the HOOPS Challenge basketball games and the "Real Talk" mentoring sessions

Organized and coached 72 high school youth who accounted for 12 teams to participate in the annual Black History Knowledge Bowl competition

Assisted Cargill (major corporation in the food processing industry) in their annual Feed the Needy initiative delivering at least 1,300 Thanksgiving "food baskets" to local residents throughout the Memphis community

Mobilized over 500 motorcycle riders (along with 24 sponsors) to participate in the successful Motorcycle Awareness & Safety initiative

Handled over 400 program requests from schools, church groups, neighborhood watch groups, and other community groups to speak on public safety and personal safety concerns
